There will be chores for all ages and abilities as we work around Mary's Meadow, Dogwood & Sherwood Forest, the wetland and surrounding areas. Sample chores include: *stocking of woodpiles, native woods restoration (aka, honeysuckle & other invasive plant removal), brush burning, wetland maintenance, stream cleanup, garden cleanup, mulching, new trail building, seed collection & spreading, and so much more! Special Project: collect nature for the FHV Christmas Tree to be donated to the Festival of Trees!*

Tools, gloves, refreshments and project leaders provided.

Bring a water bottle; wear rugged outdoor clothing & totally enclosed shoes.

Girl Scout troops are invited to visit the new exhibits in the Yurt Nature Center and chat with the people behind them. KU grad students will be on hand to discuss the guided field trips they offer to help troops explore and investigate the natural habitats of Hidden Valley!

Carpooling by troops is *highly* encouraged! Park at the main lot and walk down the gravel road to Mary's Meadow to sign in all together as a troop.

Please RSVP your troop intentions with the following: leader name & troop #, their age level, anticipated # of girls and adults, and your approximate time frame of work to: Durand at durandi@sunflower.com
